

Job Shadow 2022 and 2023

Explore a workplace with vast opportunity, where your ambitions become a reality!

Join us at Redpath and Company for a day to learn more about the life of a certified public accountant. Our team is committed to providing you a unique hands-on experience—with something to learn from everyone you meet—as you shadow a Redpath employee.

You will see first-hand what it's like to work for a certified public accounting firm by spending time with an audit or tax CPA. You will be exposed to their daily routine while learning about other Redpath service areas and the work we perform for our clients. This is a tremendous opportunity to expand your network while immersing yourself in an experience that you cannot duplicate in the classroom.

"Wow, was I blown away by the culture at Redpath. As I'm entering my senior year, I'm stressing about the little things, like finding a place to work where I will fit in. I think I found a great culture fit yesterday at Redpath. I cannot express how much I appreciated all the information that I was given through this program."
